J BRADLEY JOHNSON

CREATIVE DEVELOPER
Ballston Spa, NY 12020

Experience:

- **PwC USA Creative Team, Web Animation/Manager, March 2021–Nov 2025**

  Built animations, interactive charts and illustrations for pwc.com on the team that won IHAF's in-house agency of the year award in 2021. Technologies included GSAP, SVG and WebGL.

- **Freelance design and development, July 2019–March 2021**

  Sole proprietor building responsive sites, SVG animations and interactive content for various clients.

- **AKQA San Francisco, Senior Creative Developer, 2005–July 2019**

  Styled websites for Nike Jordan, Genentech and Activision using CSS and SASS with AEM components. Oversaw development of all digital advertising built in the San Francisco office. Built site content, rich media and display advertising. Responsible for maintaining quality and visual consistency throughout delivery across multiple brands, such as Audi, Google, Levi's, Nike and XBox.

- **California College of the Arts, instructor. 2004–2006**

  Taught Web Design class for CCA's extended education program. Developed a project-based curriculum emphasizing scripting, animation and design.

- **Freelance designer. 1998 to 2005**

  Designer specializing in websites and animation. Clients included Williams-Sonoma, Em Dash design, Mediatrope, Razorfish, and various San Francisco agencies.
